MATSQUI BY-LAWS.

YALE ROAD HIGHWAY BY-LAW, 1908.

A By-Law to change the location of the Yale Road (so-called) through the Fractional South-east Quarter of Section 21, Township 16, New Westminster District, and to repeal the "Yale Road Highway By-Law, 1907."

WHEREAS by the "Yale Road Highway By-law, 1907," a portion of the Yale Road was stopped up and a new highway was established in lieu thereof:

And whereas the descriptions of the highway so established and of the portion of the Yale Road so stopped up are both erroneous:

And whereas it is deemed expedient and in the public interest to further change the location of the Yale Road (so-called) through the Fractional South-east Quarter of Section 21, Township 16, New Westminster District, and to close a portion of the said Yale Road through the said Fractional South-east Quarter of Section 21, Township 16, New Westminster District, and through the southern portion of Lot 48, Group 2:

And whereas it is deemed advisable, for the purpose of making entirely clear the portion of the road which is to be stopped up and the road to be established in lieu thereof, to repeal the "Yale Road Highway By-law, 1907":

Be it therefore enacted by the Municipal Council of the Corporation of the District of Matsqui, pursuant to the provisions of the "Municipal Clauses Act":

1. The "Yale Road Highway By-law, 1907," is hereby repealed.

2. The lands and premises hereinafter described are resumed or appropriated, dedicated, constituted and established a public highway, being all that piece or strip of land containing 1,064 acres, more or less, being all that part of the Fractional South-east Quarter of Section twenty-one (21), Township sixteen (16), New Westminster District, British Columbia, that lies within thirty-three (33) feet on each side of the following described centre line, and extending from the east boundary line of

said quarter section north-westerly to the southerly limit of the Yale Road, as the same is now located and established through said quarter section, said centre line being more particularly described as follows, to wit:—

Commencing at a point on the east boundary line of the Fractional South-east Quarter of said Section twenty-one (21), distant twelve hundred sixty and two-tenths (1,260.2) feet north, measured along said east line, from the south-east corner of said section; thence north 67° 45' west, two hundred twenty-eight (228) feet; thence north, 89° 31' west, three hundred forty-three and one-tenth (343.1) feet; thence north, 72° 02' west, two hundred twelve (212) feet to an intersection with the centre line of said Yale Road, as the same is now located and established through the Fractional South-east Quarter of said Section 21.

3. The said Corporation of the District of Matsqui hereby expropriates the lands and premises described in Section 2 hereof, for the purposes aforesaid, and is hereby authorised to enter upon, break up and take or use the said lands and premises for the said purposes without the consent of the owners thereof, subject to the restrictions contained in sections 251 and 252 of the "Municipal Clauses Act."

4. All that portion of the Yale Road hereinafter described is hereby stopped up, that is to say:—

All that portion of the Yale Road through the Fractional South-east Quarter of Section 21, Township 16, and Lot 48, Group 2, New Westminster District, the centre line of which is described as follows:—

Commencing at a point on the west boundary line of Abbotsford Townsite, where the centre line of said Yale Road intersects said west boundary line; thence south 73° 08' west three hundred seventy-eight and one-tenth (378.1) feet; thence south 83° 47' west to an intersection with the easterly boundary of the highway established by section 2 of this By-law; except in so far as the said lands form part of the highway so established in this By-law.

5. The Yale Road, as it existed prior to the passing of the "Yale Road Highway By-law, 1907," is hereby re-opened and established, except in so far as it is stopped up by this By-law.

6. The Reeve and Clerk of the Corporation of the District of Matsqui are hereby authorised to seal, execute and deliver a conveyance of the portion of the said highway so stopped up to the Vancouver, Victoria and Eastern Railway and Navigation Company, in exchange for the lands expropriated for the purposes of constructing the highway established by paragraph 2 hereof, but the said conveyance shall not contain any covenants for title.

7. This By-law may be cited for all purposes as the "Yale Road Highway By-law, 1908."

Passed the third reading the 18th day of July, 1908.

Reconsidered and finally passed in open Council this 15th day of August, A.D. 1908.

WM. MERRYFIELD,

Reeve.

LEGISLATIVE ASSEMBLY.

PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affecting therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published*. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition

has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901, (*see Journals, 1901, page 58*), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.
